The ethereal and magnetic Saibhin, is a Mexican-Irish singer who's creating a stir in the Dublin music scene. The experience of seeing a live Saibhin show entails a sea of people dancing and singing along to Saibhin's goosebump inducing tone and lyrics. The set list always showcasing new material and soon to be released singles. If you've been to a few of the gigs you'll see a string of familiar faces as the fans continuing returning in hopes of chasing the experience that is seeing Saibhin live. Saibh's charisma is described as infectious as she effortlessly flows from one emotion evoking melody to a symphony full of life, bouncing off of her band; a six piece of Ireland's most talented upcoming musicians and instrumentalists. The intent to create a safe space where people feel compelled to explore their own emotions, definitely translates. It's not uncommon to see a tear shed with Saibhin's personal life highs and lows being conveyed in the music and performance.
